

# The S.A.A.S. (Story All About Space)

By: James Karwoski

## Chapter 0

"Stop it, Zareth!" said Corg. "STOP YOUR EVIL PLAN!"

## Chapter 1

"Two twists for screw 1, two twists for screw 2, two twists for screw 3. Add this here, add that there. Add the watering can with blue and white blue jay feathers in the middle. Okay and, seems like it's done."

"BOSS, BOSS, IS IT DONE YET?"

"Yes, Snave," grumbled Zareth. "It would have been done like oh, I don't know, ten hours ago if you didn't keep running in asking if it was done, Snave."

## Meanwhile...

"Snade and Hade, start working together. Flail and Horg, STOP fighting and quarreling," said Corg.

"Corg, Corg, we found out Zareth's evil plans and they're really quite bad!" said shaking, quaking, lemon-Snaking Hareth.

"Let's get building!" said Corg.

"No, you don't understand Corg!" said Hareth, "There's really no time!"

BOOM!

"FLEE FOR THE SPACE SHUTTLES!" Shouted Corg.

(See Illustration 1)

Back at Zareth's Lair:

"If I can get this machine on before they can stop me, I'll be able to take over the universe! WA-HA-HA-HA!"

9 Months Later...

The fight began and at last the good guys won.
