Dane County Job Center 1819 Aberg Ave. Madison, WI

### **Information about the Workshop**

The City of Madison Department of Civil Rights and the Dane County Job Center have partnered to offer free trainings designed to educate and empower job-seekers, employers, and the wider community on equal opportunities laws and best employment practices. Everyone has biases that shape how we see the world. Unconscious bias allows us to process complex information and assists us with decision making. During this FREE VIRTUAL training, we will review reasonable accommodations and types of adverse actions related to an individual's disability. This training will discuss employee/applicant rights and responsibilities, as well as employer best practices. This is open to the public.
