Request for Consideration Policy

A county resident may make a request that an item in the Adams County Library Collection be reviewed for removal or restrictions. This request must be submitted in writing using the library's "Request for Consideration" Form (*attached*). This form must be filled out for each item for which the resident requests a review.

No item will be reviewed until it has been returned and checked in by the Library. The Library Board will consider the request at the first meeting after receiving the Request for consideration and after the item has been returned to the Library. The status of any item under review will not be changed until after the Library Board has finished its review.

A reply as to the Board's action on the request will be sent after a decision has been made. Once an item has gone through the reconsideration process, it will not be reviewed again for five years.
