Aladdin and Serena did NOT get along very well. But one day, they decided to go on an adventure together. It was Serena's idea. They packed and packed.

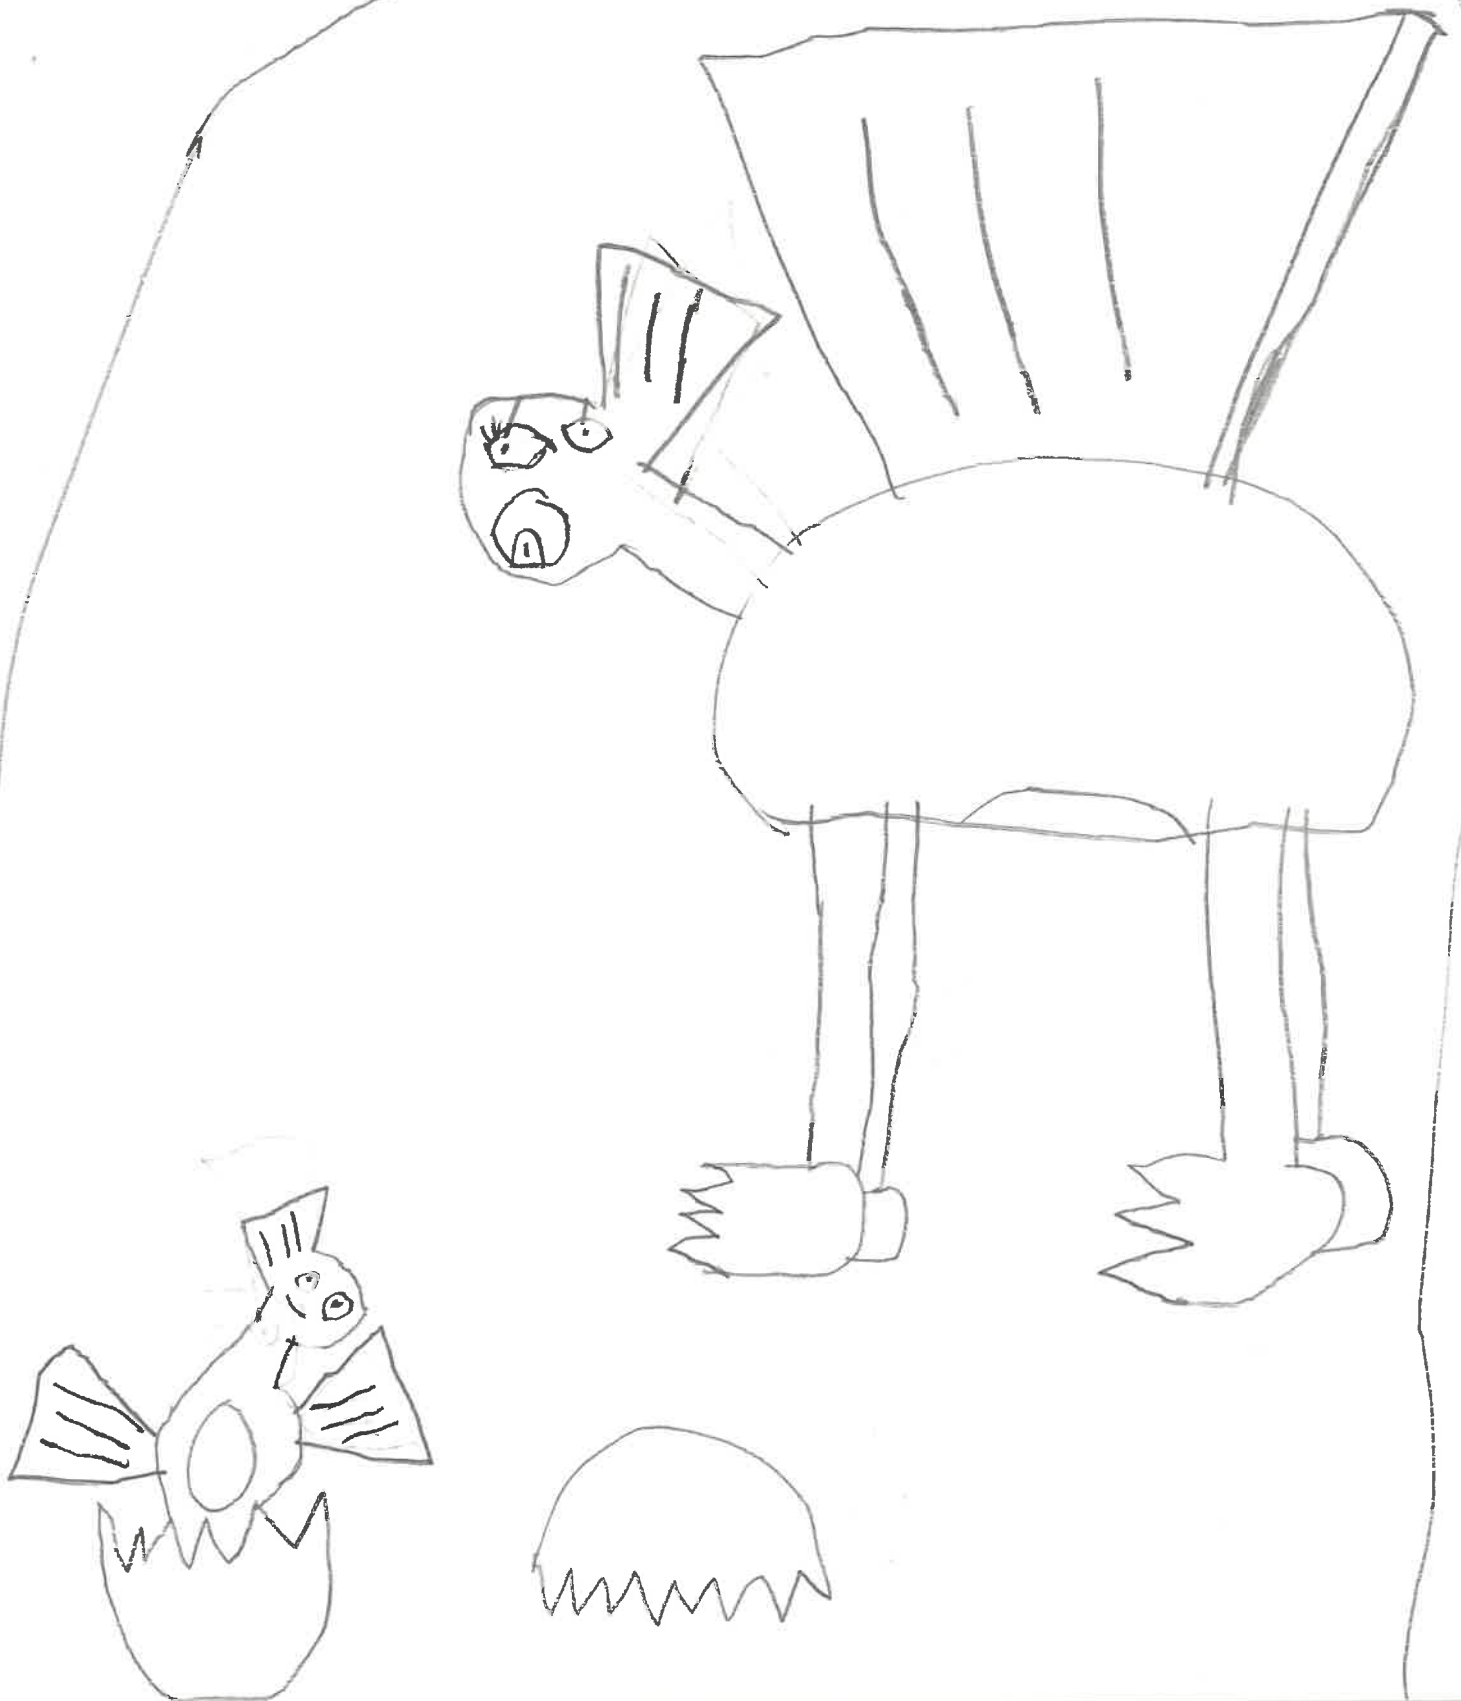

It was partly Mom and Dad's idea... the adventure. They* thought Serena and Aladdin should work together.

They started their adventure. They walked and walked. They found a cave. They went in. They found a mother dragon and her baby dragons.

The mother dragon said, "Hello." Aladdin and Serena screamed. "Ahhh!!!"

Then the mother dragon said, "You can ride on my back. I'll hold the baby dragon."

But while they were flying, they saw a jewel and a monster. Then, suddenly, Serena said, "The jewel of Precalia, whoa!"

Then Aladdin said, "Let's land."

They landed and the dragons hid behind a tree. Then the monster began to talk. He said, "You must roar like a dragon to get the jewel."

Then the mother dragon leaped out from behind the tree and roared as loud as she could!!!!

"What?!" the monster cried. "You get the jewel," he sadly said.
