

Backyard Adventure

by Elijah Board

Eleven boys were in
Henry's backyard.
One of the boys
said, "I want to
dig a hole." So
the other boys
said, "Okay! Let's
do it!"

They got shovels
and dug. When
they got deep
into the ground -
two of the boys
fell into the hole.
Then another boy fell...
then another! As each
one approached the
hole they were pulled
in!

When only three boys were left, one said, "I heard water when they fell."

"Me too!" said another. So they jumped in.

It was an underwater city! Fish were swimming everywhere!

The boys began to play tag with the fish. Then they had root beer floats.

They had fun all day.

Water, going through
the city, they met
a man who had a
remote in his hand.
He said, "If you press
the button, you will
be back at your House."
Then he pressed the
button.

All eleven boys were
instantly back at
Henry's house. They
looked around in
wonder till Henry
said, "I'll see you
back in my yard
tomorrow!"
